

# LSH Newsletter

Together we enjoy learning and  
encourage confidence

## Achievement

As a team we would like to say a BIG thank you to everyone who took the time to complete a review for us. From this we have been recognised and we are overwhelmed to be in the Top 10 nursery groups in the UK.

# Under 2's

The baby room children have had a wonderful time playing with the sand, flour and paint. They have been creating all sorts of patterns, and making marks. This is fun and enjoyable way of learning and is the activity we have been exploring this week. It can also help your child physically and creatively.

Here's a sneak peek at what our under 2's have been doing, it's something that can easily be done at home!

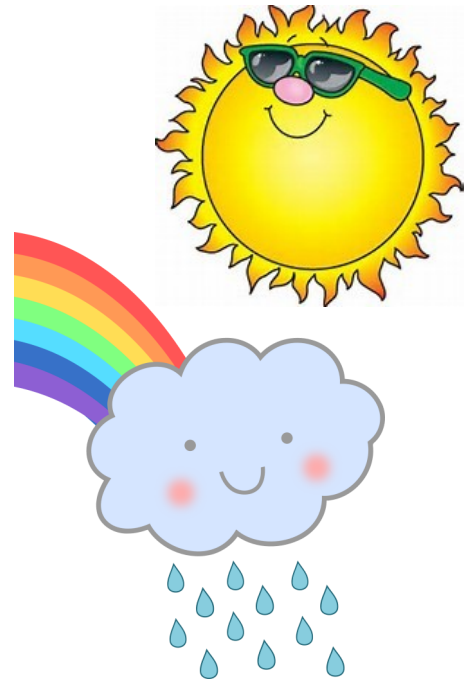

# Toddlers

Transport is the theme we have been exploring for this term. The children have been learning about different forms of transport. The children will be going on an outing on the bus down to the town centre, this maybe a new experience for some. They have also enjoyed their walk over to the park and to visit the Poppy flower store. We were lucky enough to receive flowers from Karen on our visit. To develop a better understanding of transport we have been looking at different stories and setting up different activities to explore.

# Weather

As we are all aware summer is slowly coming to an end, we would like to remind parents to bring in appropriate clothing and also spare clothes for your child as the weather is changing slightly, also remember coats and suitable shoes for the garden .

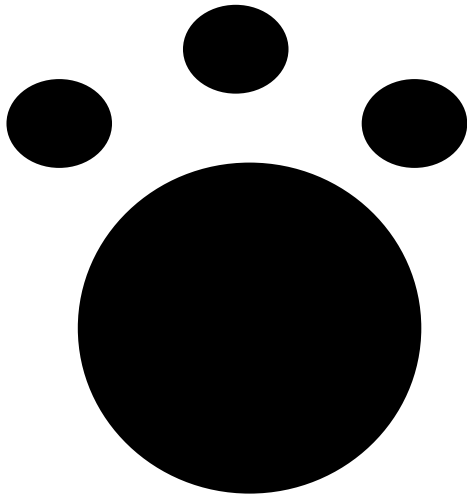

## Medication!

***We would like to remind you that medication must always be in the original packaging with full name and date on it in order for us to administer it to your child at the nursery. Thank you***

## Stay & Play Sessions

At LSH Tycroes every Tuesday between 9:30am and 11:30 am at just a £2.00 charge, we are providing the opportunity for mums/dads or carers to bring their children to our fun filled sessions. There is also the opportunity to meet other parents during your visit, while your child enjoys story time, messy play, singing and a variety of other activities.

# Teddy Bears Picnic!

As a Nursery we celebrated Teddy Bears Picnic day, where all the children had the opportunity to bring in their favourite teddy from home to join in on our fun and tasty picnic. While out in the garden the children enjoyed the teddy bears picnic story and thoroughly entertained by the activities they took part in, such as creating bear masks and making their own jam Sandwiches.

# Tomato & Vegetable Soup

A favourite choice on our lunch time menu to all the children is our homemade soup.

This is for about roughly 12 children!

Fancy trying this at home the ingredients are;

- 2 tbsp. olive oil
- 1 onion chopped
- 1 garlic clove, peeled and crushed
- 2 medium carrots cut into small chunks
- 100g of butternut squash, peeled and diced
- 100g of sweet potato, peeled and diced
- 2 tubs of passata
- 700ml vegetable stock

## Method

- 1) Heat the vegetable oil in a fairly large pan, add the onion and chopped vegetables.
- 2) Pour over the vegetable stock and the passata and then cover and cook gently, stirring occasionally for 20 minutes or until the vegetables are soft.
- 3) Simmer for 15 minutes, then blitz in a food processor.

---

## DATES FOR YOUR DIARY AUGUST!

---

- \* 3rd Watermelon day
- \* 7th Raksha Bandhan—  
Hindu
- \* 9th Book lovers day
- \* 19th World photo day
