Parents' Evening – Thank You! 🎁

A huge thank you to everyone who joined us for our recent Parents' Evening! Lots of fun was had by all, and the tasters from our menus went down a treat. We loved seeing so many smiling faces and hope you and your children found the evening enjoyable and beneficial.

For our next event, we'd love your input! We'll be asking for ideas on the best times and ways to make it even more exciting and engaging for everyone, as we know evenings aren't always convenient—especially for parents with young babies.

If you weren't able to attend, don't worry! Simply speak to your room supervisor, and they'll happily arrange a time for you to meet with your child's key worker that suits you best.

At Your Feedback matters – help us make the next one even better!

🎄 Leffy the Christmas Kindness Elf is Coming to Town! 🎄

We're so excited to share that Leffy, our Christmas Kindness Elf, will be visiting the nursery throughout December! Leffy will be spreading kindness and joy to both children and staff, making this festive season extra special.

We're sure the children will have lots of magical stories to tell you about his visits—so keep an eye out for their updates!

🎄 Creating a Sense of Belonging This Christmas 🎄

To bring a warm sense of belonging to our nursery, we've placed a beautiful Christmas tree in the foyer—and we'd love for your family to be part of it!

We invite all families to bring in a bauble or decoration from home that is special to your family. Last year, we had such a lovely time adding all the wonderful decorations, and we're so excited to see what you choose this year!

This tradition helps us create a festive space that reflects every child's uniqueness and serves as a beautiful reminder of the children who have previously been part of our nursery family.
