

## City Day Nursey

### AUTUMN NEWSLETTER

#### RAMADAN AND EID MUMBARAK

The children have had lots of fun joining in with the Eid Mubarak celebrations at nursery. Eid Mubarak celebrates the end of fasting that takes place during Ramadan within the Muslim calendar. The children were lucky enough to receive special Eid presents from Thunyan and Khalid tot take home. The children had traditional Eid dishes and joined in with traditional dancing and music, we also copied henna designs and painted them on to our hands and arms which was lots of fun and very messy!

The nursery aim to incorporate diversity in children's day to day activities, through resources such as displays and photographs on walls, role play areas, musical activities and creative opportunities. All children feel special as their uniqueness is celebrated throughout the nursery encouraging a sense of pride and belonging.

#### **Benefits of celebrations cultural diversity**

- Young people are not segregated.
- The negative effects of labelling and lack of familiarity are decreased.
- Young and school age children have opportunities to learn from and share experiences with each other. This includes positive models for learning, communication and behaviours.
- All children feel a sense of belonging.
- Children of all ages learn to appreciate diversity in others.
- When everyone participates, children have opportunities to be creative, resourceful and cooperative.

## OVER 2S SECTION

The toddlers had a wonderful time at the teddy bears picnic mystical and magical day at Swansea waterfront museum. This was a free event which involves local business who provide crafts and hands on activities for the children to participate in throughout the day. We got to play in the pirate ship, have our fingerprints taken by the police and play with all things magical! And we look forward to attending again next year.

*Play is the highest form of research – Albert Einstein*

## NURESRY NEWS

- We would like to welcome Nicol to the nursery, Nicole is now the over 2s supervisor and we would like wish her luck with her journey here with us at school house. We thank stacey for her time and hard work as supervisor over the past few months.
- Congratulations to Jade on the birth of her beautiful baby boy Jacob, both mum and baby are doing well.
- Congratulations to Ecko and Kerri who are also both expecting their first babies next year. How exciting!
- We would also like to let you know Tillie is no longer based at our site but has transferred to singleton site. Goodluck with your new adventure!
- We are offering a free registration worth £40 for parent who book and start with us here between July and November this year! Not only this but we are also offering an additional 10% off your first full month's bill between these months just to sweeten the deal!

## UNDER 2S SETION

The under 2s have been having lots of fun experimenting with water. Many of the children who start their journey with us at nursery are reluctant to partake in water play or messy activities and we think it amazing as their confidence grows to watch them flourish and become engaged in the play activities.

### **Notices for parents**

Can parents please report all absences or late arrivals to nursery asap on 01792 460909

## SINGLETONS 20TH BIRTHDAY CELEBRATIONS

It is a very exciting time here at schoolhouse as Singleton day nursery our sister site will be celebrating their 20th birthday on Monday the 27th of August! We as a company have very busy few weeks planning a fantastic event. The Alice in wonderland tea party! This is a free event for everyone to enjoy so please feel free to bring all your friends and family along. There will be a children's entertainer, garden games, soft play, craft stalls, a magician a visit from Alice herself, face painting refreshments and lots more. Any monies raised on the day will be donated to the Children's therapy centre in Swansea.

The Swansea's children's therapy centre supports the children and families who attend Hafan Y Môr through provision of therapeutic equipment and events. The centre supports children with a range of conditions including Cerebral Palsy, Rheumatology, Muscular Dystrophy and Downs Syndrome.

*It's  
Always  
TEA TIME!*
