

City Day Nursery

Winter Newsletter 2019

Parents evening

We would like to thank all the parents that recently attended our parents evening, We hope you all enjoyed as much as we did!

Why do we hold a parents evening?

We believe in creating a positive relationship between the family's we support and the nursery this enables us to encourage and support the children to reach their full potential. Parents evening gives all parents a chance to sit with the child's keyworker and discuss their child's development their likes and dislikes and ask staff for any advice. It also allows parents to see the activity's that the children engage in through out their day at nursery and the learning opportunity's that arise from them.

Every child within the nursery has a keyworker who will help them to settle and liaise with the family from the very beginning of the child's Schoolhouse journey. They will track the child's progress encourage them to meet their milestones and most importantly

to make sure they have fun.

Dates for your diary

- * 01/12/19-A child's Christmas in wales (child led activity') Dylan Thomas centre
- * 06/12/19 little mice club Santa special 10.30am-12 free event waterfront museum (under5's)

Over 2's section

Children within the over 2's section have been looking after Bernard the nursery bear over the weekend, they have been talking to him in welsh and taking him on mini adventures. It has been lovely to see the children so excited to show their friends what they have been doing with Bernard .

If Bernard hasn't been to visit you yet don't worry he wont be long!

Staff News

- * We would like to welcome Alimah to the nursery team, Alimah will be working within the sections at nursery.
- * We would also like to welcome Ecko back from maternity leave, Ecko will continue to work within the under 2s section and carrying out school pickups.
- * Melanie will also be leaving us at city we would like to thank her and wish her well in her next adventure.

*

Under2's section

The children in the under 2's section have been busy reading we are going on a bear hunt story. In the under 2's section we thrive on creating sensory experiences for the children. We have made sensory bottles and ribbons to play with to enhance the children's experience at story time.

How to make a sensory bottle

You will need

- * A plastic bottle
- * Tape/ Sellotape/masking tape
- * Anything you want to put inside! (water, glitter, leaves, twigs, cotton balls)
- * Pop the contents into the bottle and seal the lid with tape, it really is as

We would like to wish you all a merry Christmas and a happy new year from us all here at city day nursery.
