General Reminders

Weather- Can you please ensure children are sent to nursery in cool clothing with sunhats and sensible footwear. Please remember that we will be getting very messy so old clothes are a must have!

Sessions—Please remember that sessions are set times and children must be collected on time. A late charge will be added if children are collected late as this impacts the nursery ratio. Session times are 8am –1pm and 1pm until 6pm

Staffing News

Welcome to:

We would like to take this opportunity to welcome all our new children and their families.

We would like to welcome all our new members of staff on their School House journey with us.

We have Chelsea who has joined us on a full time basis as a nursery nurse and Paige, Cerys and Chloe who are our nursery apprentices. They can't wait to meet you all!

Stay and Play

You will be invited by our nursery children to a Summer Stay and Play so that they can showcase to you what nursery life is really like. We encourage all parents to come along and join us in an informal and fun way. We will be sending out invitations for you to RSVP when it's your child's section holding their stay and play event. The children are very excited to show you all what they do and we are looking forward to welcoming you all back into our beautiful nursery environment.

Charity of the year

This year Schoolhouse Daycare has chosen to raise money for a local charity close to our hearts – Talking Hands, located in the heart of Swansea's community. This youth club does an incredible job offering support to children and young people who are deaf or hard of hearing throughout Wales.

Talking hands have significantly felt the impact of the pandemic over the last two years and with monies raised, we would like to help them restart their Rhymes and Signs mother and toddler group. At Schoolhouse, we would like to raise funds towards new toys, BSL books and resources for the group.

We have our raffle running at the moment tickets are available to purchase from staff on collection or drop off times. We would like to thank you all for your donations towards the prizes.

The children have been busy creating their own art work for our showcase gallery where parents will be invited in to view and purchase their child's art work if they wish all monies will be donated to talking hands.

The children have been making the most of the beautiful sunshine with visits to the Quaker House garden as being their activity of choice over the past few weeks. They have had fun playing hide and seek, ball games, but rolling down the hill was definitely our most favourite thing to do!

"Nature is a tool to get children to experience not just the wider world, but themselves." – Stephen Moss.

Macmillan Charity Visit at Boots

We were very lucky to be invited to Boots the quadrant this year for their annual Macmillan charity event. The children were invited along with staff to meet the Macmillan bear and to sing along to some of their favourite nursery rhymes and songs! A donation of £100 was made to Macmillan from the children at City from Schoolhouse. Children and staff received goody bags and a fun time was had by all, we look forward to next year!
