24th December—Christmas Eve (possible closing @5pm)

25th & 26th December—Closed

27th December & 3rd January— No stay & play

1st January—Closed

The children have had lots of fun playing and exploring our Autumn tuff spots. We used lots of different items including making our own train station with the pumpkin.

We also used pine cones, acorns, leaves, squirrels and hedgehogs (not real ones!).

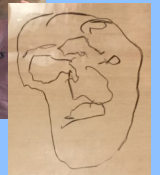

We are working towards our Healthy Sustainable Preschool accreditation.

What have the children been up to?

Following the Marvellous me theme the children have been learning how to look after a baby and caring for one another when they were 'poorly'. They enjoyed giving the baby a bath and sharing the responsibility with their friends.

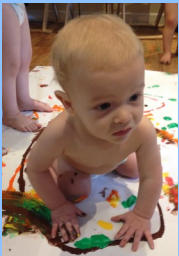

They also did an activity where they drew each others face over a laminated sheet.

We think they turned out really well.

We would like to welcome Llian, Lucy and Sianna to our under 2's room. They have enjoyed making different types of Autumn crafts. We did finger painting to make trees and handprints to make hedgehogs and leaves.

We are looking forward to seeing what they create ready for Christmas.

Stay and Play sessions.

Fridays 9.30-11am £2

Suitable for children under two years

Come and join us for some fun with your child and meet other mums and dads.

Booking is required.

Tel: 01269 596255

One of the children's favourite meals from our winter menu is the Leek & Potato Soup.

Look how easy it is to make.

Sliced onion, Potatoes cubed, Leeks, Vegetable stock, Double cream and

Black pepper

Sautee the onions and leeks add the potatoes and vegetable stock and boils until tender. Blend and add the pepper and double cream

We serve this with crusty bread.

Keep warm on a winters night.
